

Product Specification Sheet

Product Name/ Brand	POWER8workshop®
Model Number	WS3E
Weight for shipping (kg/lb)	17kg/ 37.5lb
Size	525 x 365 x 225mm (LxWxH)

Description

The Workshop's Multi-Award Winning Design is centred around an armoured, innovative case and unique and Patented POWERhandle system. The POWERhandle design incorporates lithium-ion batteries, variable trigger and handle into one unit allowing the tools to pack into The Worlds Smallest 4 Piece Combo Kit. Combined with the armoured case this tool kit becomes a full 8 function workshop!

CA01 Armoured Case with Stainless Steel Work Surface, which contains;

- PH11 18v 2.6Ah Li-Ion POWERhandle (one piece)
- CS01 140mm Circular Saw
- JS02 Jigsaw with Quick Release multi-blade mechanism
- HD01 HAMMER Drill/Driver
- HL02 3W LED Torch Head
- PF02 Stainless Steel Post/Fence With Drill Press return spring
- CB01 Lift Out Canvas Bag
- CD03 Fast Charger Dock which quickly charges Li-Ion battery pack (POWERhandle) POWERhandles. Includes SCP (Secondary Charger Point)
- PT01 Metal Protractor
- WC01 Work Clamp

It all packs away inside the case, this tool box really is a full workshop in one armoured case. Please see the individual item descriptions for further information.

Product Name	CS01 140mm Circular Saw Head
Motor	18V 700 series
Gearbox	Steel
No-load speed	3500RPM
Power input	18V
Electric Brake	Yes
Momentary Trigger or On/Off Switch	Trigger
Variable Speed	No
Circular saw blade nominal diameter	140mm (5.5")
Circular saw blade bore diameter	10mm (0.4")
Cutting depth range at 90°	40mm (1.6")
Cutting depth range at 45°	26mm (1")
Spindle lock	Yes
Protective guard	Auto Retract and Fixed for Table Saw

Product Name	HD01 Cordless HAMMER Drill/Driver
Motor	600 Series
Gearbox	2 Speed, Steel
No-load speed	0-300/0-1250
Max. torque	25Nm/60Nm
Hammer Action	0-5600/0-20000min ⁻¹
Variable Speed	Yes
Torque settings	20+Hammer
Chuck Size min-max	1-13mm Jacobs Keyless

Product Name	JS02 Quick release Jigsaw Head
Motor	550 Series
Gearbox	All Metal
No-load speed	2400SPM
Variable Speed	Yes
Blade Fitting	Quick Release U or T type

Product Name	HL02 3W LED Torch Head
Bulb	3W LED
Bulb Life	10000 hours
Features	Torch head can be adjusted / tilted to direct the beam towards your work

Product Name	CD03 Fast Charger Dock
Power input	AC 100-240V 50/60Hz
Power output	DC23V

Product Name	PH11 2.6Ah POWERhandle
Power input	22V DC
Power output	18V DC
Battery Makeup	Lithium Ion
Cell brand/arrangement	5x2 cells
Battery operating voltage	18V
Battery Capacity (per battery)	2.6Ah (2600mAh)
Battery runtime with no load (mins)	Depends on tool fitted.
Variable Speed	Yes
